SUBJECT: 2003 Fall Weed Abatement Program
Report of Proceedings / Account of Costs

RECOMMENDATION

That the City Council receive the report of the 2003 Fall Weed Abatement Program, and adopt the resolution of report and statement of expenses and impose liens upon properties for payment.

BACKGROUND

The Uniform Fire Code, 2000 edition, adopted and amended by Loma Linda Municipal Code Chapter 15.28, establishes the authority for removing combustible vegetation when it is determined to be a fire hazard. Section 1103.2.4 states "Cut or uncut weeds, grass, vines and other vegetation shall be removed when determined by the chief to be a fire hazard. When the chief determines that total removal of growth is impractical due to size or environmental factors, approved fuel breaks shall be established. Designated areas shall be clear of combustible vegetation to establish the fuel break."

ANALYSIS

The Fall Weed Abatement Program began on August 4, 2003 with initial inspections of 493 parcels performed by Fire Prevention Inspector Gerald Patterson. Pursuant to Sections 103.4.1.1 and 103.4.1.4 of the Uniform Fire Code, 215 Notices to Clean Property (see Exhibit "A") were sent by regular mail on August 11, 2003 to the owners of those properties which contained combustible vegetation. Follow-up inspections began on August 27, 2003. If abatement had not been accomplished by the owner by the start of follow-up inspections, or if arrangements for a time extension had not been made with Fire Prevention, the parcel was placed on an abatement list which was given to the City's contractor for initiation of the abatement work. Parcels abated by the City's contractor are listed on Exhibit "B". Upon completion of the abatement work payment was made to the contractor.

On January 15, 2004 an invoice specifying the cost of the work performed by the contractor, plus the City's administrative fee, was mailed to the owner of each parcel giving them the opportunity to make payment of the bill prior to February 24, 2004. (see Exhibit "C"). Owners also have the opportunity to appear at the hearing to ask questions on or dispute any bills or proceedings.

Subsequent to the February 24, 2004 Hearing and Council action, the Report of Costs, with accompanying Resolution (see attached), will be forwarded to the Property Tax Division of the San Bernardino County Auditor/Controller-Recorder for collection as a lien on the property.

Assessor Parcel No:

Location:

Under the provisions of the Uniform Fire Code, 2000 edition, adopted and amended by Loma Linda Municipal Code Chapter 15.28, an inspection of the property listed above has been performed by this Department. Based upon the inspection, a fire hazard has been determined to exist on the property pursuant to the provisions of Uniform Fire Code Section 1103.2.4. Notice is hereby given that any weeds, tumbleweeds, grasses, vines, dead shrubs, dead trees, tree or other types of trimmings, or other combustible materials or debris present on your lot, field or parcel of land are a fire hazard or in all probability will become a fire hazard, and as such must be removed or abated. Additionally, combustible material must be cleared away from any road or street for a distance of 10 ft.

The combustible vegetation or material on your property must be removed or abated in an acceptable manner by **August 26, 2003**. Failure to remove or abate by this date will be cause for the City of Loma Linda or its designated contractor to enter onto the property to accomplish the abatement. In addition to the costs for cleaning, you will also be assessed an administrative fee of 30% of the cost of the work or \$100, whichever is greater. Failure to pay the charges will cause a tax lien to be placed against the property.

Due to uncontrolled regrowth, a second or third clean up of the property may be necessary during the year. Property owners are advised that it is their responsibility to maintain their property in good condition and that any regrowth during the year may be subject to removal without further notice if determined to be a fire hazard.

This Notice is given pursuant to the provisions of Uniform Fire Code Sections 103.4.1.1 and 103.4.1.4, and requires action to remove the hazard which endangers life or property. For further information, please call (909) 799-2858.

You as owner, occupant or person otherwise in charge of the property may appeal to the Fire Marshal of the City of Loma Linda any of the requirements of this Notice pursuant to Loma Linda Municipal Code Section 2.08.030. Such an appeal shall be in writing and shall be submitted only after all reasonable efforts to resolve the matter have been exhausted with the staff of this Department. Said appeal may include any arguments why the property should not be declared a fire hazard and abated by the City. Any appeal shall be submitted to this Department within ten (10) calendar days from the date of this Notice.

If you are no longer the owner of this property or are in the process of selling it, please inform the new owner of this Notice, and advise this Department in writing of the date the title change occurred and the name and address of the new owner.
